## IBIZA PRIVATE VILLA

Brand new villa with great sea views in a safe gated community but very close to the beach and to the golf course. This impressive villa has just been completed in a modern architecture design to the highest standards of luxury.

With uncommon privacy and great sea views the property is located in the gated community of Roca Llisa which has an excellent level of security and stretches itself on the South East coast of the island, at walking distance from the Ibiza golf course (18 + 9 holes).

The property offers a large master bedroom suite, 3 VIP bedrooms and other 2 bedrooms also with separate entrances. Six bedrooms in total, all of which have en-suite bathroom (all with bidet), 4 of which have large separate walking closets and 2 have capable wardrobes.

At the first floor there are a very spacious living room with a contemporary-design fireplace, dining room and a super Bulthaup kitchen.

The roof terrace boasts a very large relaxing area with Jacuzzi from which one can enjoy country and sea views.

IBIZA PRIVATE VILLA

Another outstanding feature: the villa sits almost on top of Cala Olivera, one of the most charming and private creek of the island (which can be reached by a short walk or a 3 minutes car ride).

Cala Olivera's beach allows a bather to comfortably walk, unlike most other beaches in Ibiza, into the sea water and swim away.
